

## Investments in ski resorts & hotels

### Investments in Vorarlberg's ski resorts

- **Ski Arlberg:** Lift companies from Lech, Oberlech and Zürs are investing around € 6 million in optimising the ski area infrastructure and guest comfort. Innovations: In summer 2020, the new construction of the Zugerberg cable car in Zug started. A new 10-passenger cable car (single-rope circulating cableway) is planned, which is to be completed for 2021/22 winter season.
- **Silvretta Montafon:** new downhill run in Gaschurn, planned opening winter season 20/21
- **Bergbahnen Gargellen:** New slope connection from Schnapfenwald to Schwefeltobel on the Gargellen downhill run. Some hotels can now be reached directly from the slope.
- **Bergbahnen Brandnertal:** Investment in guaranteed snow with about € 50.000,-
- **Ski area Oberstdorf-Kleinwalsertal:** New construction of the Nebelhornbahn cable car (March 2021) and modernisation of the Söllereckbahn cable car (winter 2020/21).
- **Sonntag-Stein cable ways:** Reconstruction & modernisation of the valley station of the cable cars Sonntag-Stein until probably mid December 2020

### Investments in hotels

#### New
